

# Welcome to EuMW 2017

We are excited that in 2017 the EuMW returns to Nuremberg, a uniquely fascinating European city, full of medieval charm. Bringing industry and academia together, European Microwave Week 2017 is a SIX day event, including THREE cutting edge conferences and ONE exciting trade and technology exhibition featuring leading players from across the globe. EuMW 2017 provides access to the very latest products, research and initiatives in the microwave sector. It also offers you the opportunity for face-to-face interaction with those driving the future of microwave technology.

The 20th European Microwave Week combines

- three major conferences,
- associated workshops,
- tailored courses and seminars for industrialists, academics and researchers, and
- leading international trade show.

In addition, Exhibitor Workshops and Seminars will be provided by several top organisations with superior expertise in Microwave, RF, Wireless or Radar.

## BADGES

Online registrants will automatically be e-mailed their badge barcode and an order confirmation receipt immediately after they pay. All those who have pre-registered should bring their badge barcode and confirmation with them to the conference where they can print out their badge by scanning their barcode at the Fast Track desk onsite. Once you have collected your badge, you can collect the conference proceedings which are on a USB stick and delegate bag for the conferences. Processing will be quick and easy but queues may form at busy times, so please arrange to collect your badge well in advance of your first conference session.

The registration area will be located at the entrance to the conference centre as sign posted.

Those who have not pre-registered can do so on site. There will be onsite registration terminals located within the registration area, where delegates can enter their details and pay immediately by swiping their credit or debit cards through the card readers attached to the terminals. Alternatively, you can pay at the Cashier desk if you require a printed receipt.

If you have any questions regarding registration procedures and payment, please email: [eumwreg@itnint.com](mailto:eumwreg@itnint.com).

## CONFERENCES

Choose from three separate but complementary conferences. Spanning the length of the week, starting from Sunday 8th October, the conferences and workshops are scheduled as follows:

- European Microwave Integrated Circuits Conference (EuMIC) 9th - 10th October 2017
- European Microwave Conference (EuMC) 10th - 12th October 2017
- European Radar Conference (EuRAD) 11th - 13th October 2017

- Plus Workshops and Short Courses (From 8th - 13th October 2017)
- In addition, EuMW 2017 will include for the 8th year, the Defence, Security and Space Forum on 11th October 2017

The conferences encompass a wide range of subject areas including:

- Microwave, Millimetre-wave and Submillimetre-wave Systems
- Antennas and Propagation
- Wireless Technologies
- Telecommunication (RF, Microwave and Optical)
- ICs, Semiconductor Materials and Packaging
- Radar Architectures, Systems and Subsystems
- Sensors and Remote Systems
- Test and Measurement

Online registration opens on 1st June 2017 and remains open up to and during the event until 7th October 2017. During the event, you can also register on site from Saturday 7th October 2017 (16:00 -19:00) and from 07:30 each morning from Sunday 8th October 2017 to Friday 13th October 2017.

The conferences will be held in different rooms over the conference dates. Please refer to the Conference Matrix at the back of this booklet for a detailed overview. Delegates may register for one, two or all three of the conferences. Registration at one conference does not allow any access to sessions of other conferences. Those who wish to register for two or more conferences will receive a discount on these registrations.

Fees and discounts are all explained in the Conference Registration Information section of this booklet.

## PROCEEDINGS ON USB

All papers published for presentation at your chosen conference will be on a USB stick given out with the delegate bags. There will be one USB stick combining all three conferences.

No hard copies of workshop slides will be provided, but electronic download will be available ahead of the conference. Additionally, all workshop proceedings will be available on a USB stick for all workshop participants.

## INTERACTIVE SESSIONS

Authors of papers in the Interactive Sessions will have presentation screens to present their paper instead of the posters used in previous years. The presentation screens are located in the conference area on Monday and Friday and in the exhibition hall as sign-posted on Tuesday, Wednesday and Thursday.

## SPEAKER PREPARATION SPACE

A speaker preparation lounge is located within the 'press centre' on level 1.
